

EXHIBIT 5
DATE 1-18-07
HB 2

Dear Madam Chair and Members of the Committee:

My name is Joe Moll. I am the Chair of the Great Falls Mental Health Advisory Committee. I am employed by the Center for Mental Health in Great Falls as a peer specialist. Without Vocational Rehabilitation, I would have not received the funding for the equipment that I need to do my job. I also received funding and advocacy services from North Central Independent Living Services. I support Governor Schweitzer's Disability Services Budget.
